MTN and the Thusanani Foundation

To whom it may concern

The MTN Group Corporate Affairs team partnered with the Thusanani Foundation in support of the Adopt – A- School Foundation’s back to school for a day initiative on 17 May 2013.

The objective of this programme was to provide career guidance and counseling to the Grade 10 – 12 learners of the George Khosa School in Dobsonville, Soweto. The members of the Thusanani Foundation team were able to relate to the learners of the school and provided valuable information and insight into the life of a learner once they had passed matric. The following information was shared with the students:

- Career Guidance
- Curriculum Planning and Advisory
- Motivational Speaking and Mentorship
- Higher Education Funding Opportunities Awareness
- NSFAS literacy and awareness
- Promotion of Scarce Skills (Engineering, Health Sciences, etc)
- Completion of Universities, FET Colleges, Bursaries and NSFAS application forms
- Peer-to-Peer Life Skills Development.

It was a pleasure working with Thusanani and we recommend them for their professionalism, in their approach to this programme, as well as in their interactions and partnership with the MTN team.

My team worked closely with Thusanani to prepare for the career guidance day planned and were satisfied with their level of dedication to their cause of ensuring that the learners who are our future leaders, are fully equipped with all the required information needed to fulfill their dreams.

Regards
